Snow Removal Planned for Hillside Starting February 12

[Duluth, MN] The City of Duluth Street Maintenance team will start removing accumulated snow and ice from East 3rd Street, East 2nd Street, and East First Street beginning Tuesday, February 12th to ensure safety and accessibility. Staff will start on East 3rd Street from Mesaba Avenue to 22nd Ave East, and specific dates and locations can be found below.

Crews will be cutting ice and pushing back the snow banks to allow for more room in the driving lanes and will have a loader on site to clear driveways and sidewalks after the plowing operation has gone by.

This work will take place from approximately 7:00 a.m. to 3:30 p.m., and the areas impacted will have signs indicating "No Parking After 7:00 a.m."

The City advises the public to be aware of posted signs and adhere to the parking restrictions to prevent ticketing and towing.
