**SUBJECT: City of Duluth to Complete 8th/9th Street Rehabilitation and Preservation Project**

**BY: Kate Van Daele, Public Information Officer**

---

**City of Duluth to Complete 8th/9th Street Rehabilitation and Preservation Project**

[Duluth, MN] The City of Duluth will be working along 8th/9th Street between North 6th Avenue East and Woodland Avenue until approximately May 31st. This will complete the 8th/9th Street Rehabilitation and Preservation Project that was implemented in 2018. During this time there will be no parking in select areas, as crews will be working within the parking lane.

This is a federally project that governs the public right of way, and allows for intersection improvements and select curb removal and replacement. For more information contact City Project Engineer, Patrick Loomis at [ploomis@duluthmn.gov](mailto:ploomis@duluthmn.gov)
