SUBJECT: Power outage at water pump station that serves city of Proctor

BY: Phil Jents, Communications and Policy Officer

Power outage at water pump station that serves city of Proctor

[Duluth, MN] Sometime in the afternoon of Saturday, May 28, 2022, the water pump station that serves the city of Proctor lost power. City of Duluth crews have been on scene to restore power as quickly as possible. The cause of the outage is unknown at this time.

Due to this power outage, water delivery capabilities to the city of Proctor have been impacted, and residents of Proctor are encouraged to conserve water until power is restored.

The City of Duluth has notified Proctor City administration and we thank Proctor residents for their patience during this time. We will provide an update as soon as there is additional information.
