Addendum 1
Solicitation 25-99849
2026 Best Management Practice Inspection and Modernization

This addendum serves to notify all bidders of the following changes to the solicitation documents:

QUESTIONS: The following questions have been asked and are answered in *italics* below.

1. Would you like sediment testing to be conducted at all pond locations, or only at those where sediment excavation is anticipated?
 - a. *Sediment testing should be anticipated for all pond locations. The number of tests per pond location shall be determined using the SOP Pond Inspection and the MPCA sediment testing guidance.*
2. Should the cost proposal explicitly account for subconsultant services related to sediment testing?
 - a. *Yes, include costs for testing in the cost proposal.*

Please acknowledge receipt of this Addendum by including a copy of it with your proposal. The pages included will not count toward any page limitation, if any, identified in the RFP.
