

50-15.3 Mixed Use-Commercial (MU-C).

A. Purpose.

The MU-C district is established to provide for community and regional commercial development along commercial corridors and nodal centers. Intended non-residential uses include retail, lodging, service, and recreational facilities needed to support the community and region, as shown in Table 50-19.8. Development should facilitate pedestrian connections between residential and non-residential uses;

D. Planning commission approval required.

A planning review by the planning commission, pursuant to the procedures in Article V, shall be required for all new development, redevelopment and expansions in the MU-C district, including but not limited to construction of driveways or other access from public streets, and construction of off-premises signs, but excluding the following:

1. Building construction or expansion of less than 500 square feet in area;
2. Building renovations that affect the exterior of structures that do not result in an increase in building square footage;
3. Grading and construction of parking areas less than 3,000 square feet.

Development may not proceed until the planning commission has approved the project through planning review;

E. Development standards.

1. The location, size and number of curb cuts shall be designed to minimize traffic congestion or hazard in the area. Any traffic control improvements required as a result of the proposal such as traffic signals, turning lanes, medians, signage and other types of improvements necessary to accommodate traffic flow to and from the proposed project shall be paid for by the property owner. Any additional right-of-way or easements needed shall be provided by the property owner at no cost to the city;
2. Any necessary public easements over the subject property shall be dedicated, and any necessary improvements within such easements or other easements adjacent to the subject property shall be made. (Ord. No. 10044, 8-16-2010, § 6; Ord. No. 10232, 6-10-2013, § 2; Ord No. 10468, 8-29-2016, §2)
