

Minnesota Paid Leave

Minnesota Paid Leave provides payments and job protections when you need time off to care for yourself or your family.

The City of Duluth provides Paid Leave through an approved equivalent plan instead of through the State of Minnesota. This plan provides time off, payments, and job protections that are equal to or greater than those offered under the State of Minnesota Paid Leave program.

Am I covered by Paid Leave?

Most workers in Minnesota are covered by Paid Leave. An equivalent plan must offer coverage that is equal to or greater than what is offered under the state plan. Under the state plan, you may qualify for payments if you've been paid a minimum amount for work in Minnesota in the last year (\$3,900 for the start of Paid Leave in 2026).

How long can I take leave?

An equivalent plan must offer leave time that is equal to or greater than what is offered under the state plan. Under the state plan, you may qualify to take up to 12 weeks of family or medical leave per benefit year. If you need both family and medical leave in the same benefit year, you may qualify for up to 20 weeks in total under the state plan.

How much will I get paid?

An equivalent plan must offer payments that are equal to or greater than what is offered under the state plan. Under the state plan, you will be paid up to 90% of your wages, based on your income level, with a maximum weekly amount set at the state's average weekly wage. This amount changes each year and is \$1,423 for the start of Paid Leave in 2026.

Who pays for the equivalent plan?

Your employer's equivalent plan may be funded by employer contributions, employee payroll deductions, or both. **Your employer cannot charge you more than 0.44% of your wages** to fund your portion of the equivalent plan premium.

Contributions are as follows:

Total deducted from your wages	.44%

What are my employment protections?

- **Job protections:** Generally, you must be restored to your job or an equivalent position when returning from leave. Job protections take effect 90 days after your date of hire.
- **Health insurance continuation:** Generally, employers must continue to fund their portion of healthcare insurance and other group insurance premiums while you are on leave. You will be responsible for any portion of health insurance and other group insurance premiums that you pay.
- **No retaliation or interference:** Employers must not interfere with or retaliate against you if you apply for or use Paid Leave. Employers cannot take your Paid Leave payments.
- **Equivalent plans:** Equivalent plans cannot impose any additional costs, conditions, or restrictions on Paid Leave beyond those in the state plan.

If you are concerned that your employer may be violating these protections, contact Paid Leave.

How do I take Paid Leave?

Employees who are covered by an equivalent plan do not apply with the state. Instead:

1. Notify your supervisor and Human Resources.
2. Apply online through the City of Duluth website at <https://duluthmn.gov/human-resources/minnesota-paid-leave/mnpl/>.

You may need to provide documentation, such as a medical certification.

Can I appeal if I am denied?

Workers covered by equivalent plans have the same right to appeal as those covered by the state plan. If your application for leave is denied or you disagree with the amount of your payment, you have 30 calendar days to ask that your equivalent plan review their decision. If the decision does not change, you can appeal with the Paid Leave Division within the legal deadline, 30 calendar days from when you received the review decision from your equivalent plan. Contact Paid Leave or visit the <https://paidleave.mn.gov> website for more information on appeals.
