

# HEALTHY SAVINGS

Eating healthier just got easier! Save money on a variety of foods and other healthy products with the Medica Healthy Savings program. Healthy Savings allows you to save on foods and healthy products that help you take charge of your health and achieve your wellness goals.

## How It Works

If you live near a participating store, you'll be enrolled automatically in the program. Just watch your mailbox for more information and your Healthy Savings card. There's no extra cost for Healthy Savings; it's just another benefit of being a Medica member!

Each week, featured healthy promotions are pre-loaded onto your Healthy Savings account. You can shop for the promotions at any of our participating stores. You can customize your shopping lists, and use a smartphone in the store to find the specials you want. Select the "Save More" button on the Benefits tab of the app to add promotions on more healthy foods and over-the-counter self-care, baby products and cleaning supplies. You can even grab special limited high value offers that are over 50% off!

Scan your Healthy Savings card or mobile app at checkout and save instantly on all of the promoted healthy products you purchased, including healthy foods in every food group. During the summer months, you can also save on healthy produce at participating farmers markets.

## Get The Mobile App

Download the Healthy Savings mobile app from the App Store or Google Play to get savings on your smartphone. The app makes it even easier to find the offers you want. It features customized discount information, a store selector, personalized lists and a mobile barcode to use at checkout.
