**Addendum 2**  
**Solicitation 21-AA06**  
**RFP for Lakewalk and Brighton Surveys**

This addendum serves to notify all bidders of the following changes to the solicitation documents:

Further Clarification – Strike the last sentence of Alternate 1 as shown below:

Alternate 1 will be to provide a Property and Boundary survey of the publiclands included within these limits. It shall include corners, property lines, easements, and right-of-ways. ~~Costs for title work shall be identified separate from field and office time.~~

The City is not asking for any title work for the boundary survey requested in Alternate 1. There is no need to research easements, right of ways, permits, or titles. Legal descriptions to define the property boundaries will be the responsibility of the surveyor to research.

Please acknowledge receipt of this Addendum by including a copy of it with your proposal.
