PART IV – PROJECT DETAIL
The City of Duluth is requesting proposals for a consulting group to prepare historic design guidelines for the Duluth’s Commercial Historic District, which was listed in the National Register of Historic Places in 2006. The City is anticipating that limited design guidelines and best practices will apply to all structures in this historic district, including proposed infill structures, but more detailed and rigorous standards will only apply to structures which are designated “contributing resources” to the Duluth Commercial Historic District.

The project is funded in part with a grant from the National Park Service and administered by the Minnesota State Historic Preservation Office.

All work under this RFP must be completed by July 31, 2021.
