BLASTING PERMIT CONDITIONS

1. All blasting done within the city must be done with an approved permit. A detailed plan must be submitted of the blast site, reason for blasting, storage of blasting materials, MN Explosive License, transportation route and times of blast when applying for permit.
2. Blast seismic reports may be required by the Fire Department at any time.
3. Blasters must carry and provide proof of \$2,000,000 insurance. Insurance papers must be submitted and indicate validity through the duration of permit.
4. The blasting permit must be kept on site.
5. Public Works and Utilities Customer Service Division shall be notified a minimum of 48 hours (weekdays only) in advance of initial blasting to allow a survey of the site. Please contact Adam Hendrickson (218) 730-4043 from Duluth Water & Gas Operations regarding the blast site. Life Safety will notify Holly Feehan, Chris Kleist and Chad Bednar, also at Water & Gas, of the blast site and dates.
6. Failure to comply with any of the above regulations shall result in immediate cancellation of the permit and restrictions on future blasting in the City of Duluth.
7. Blasting permit fee is \$300. Blasting done prior to permit approval shall result in a \$500 fee.
8. Per State Statute blasting mats must be used in all congested areas.
9. Permit holder must provide a copy of their Minnesota Explosives License to the City of Duluth Fire Marshal.
