## PYROTECHNIC PERMIT CONDITIONS

- 1) All pyrotechnic displays shall be done with an approved permit.
- 2) A State of Minnesota pyrotechnics license is required for all pyrotechnic displays.
- 3) The state license number must be verified and put on the permit.
- 4) Plans must be submitted prior to the show. (Includes site plan and list of shells to be used.)
- 5) Outdoor Displays- All outdoor displays shall have a representative of the Fire Department present.
- 6) Indoor Displays- all indoor displays shall have a representative of the Fire Department present.  
(Exception: small flash pots for theatrical performances may not require a Fire Department representative be present with approval of the Fire Marshal. However, a test shot of the flash pots must be witnessed.)
- 7) Use of fire- The use of fire requires a permit. The permit may be waived if in the determination of the Fire Department determines there is no additional risk to the audience.
- 8) Pyrotechnic shows must comply with the adopted fire code and all NFPA documents governing fireworks storage, handling, and use of.
