**Addendum 1**  
**Solicitation 21-99389**  
**Hartley Park Sign Package**

This addendum serves to notify all bidders of the following changes to the solicitation documents:

The plans and specifications for this solicitation have been revised to add 10 each sign type F3. The revision is a change to page 1 of the plans and specs section and the addition of page 11 with specifications for the F3 signs. Both pages referenced are attached.

Please acknowledge receipt of this Addendum by checking the acknowledgment box within the [www.bidexpress.com](http://www.bidexpress.com) solicitation.

GENERAL PROJECT NOTES:

- Owner to supply digital sign graphics, contractor responsible for printing and fabrication of all non-regulatory sign panels
- Printed sign graphic panels w/ frame should be centered front to back and top to bottom within wood structure
- Signs should be installed level and plumb
- Drawings show design intent, contractor to submit shop drawings for final approval, the signature of a licensed structural engineer (licensed in the state of Minnesota) may be required prior to submittal, see bid requirements
- Field conditions vary, depth of bedrock may require adjustment to shown footings. Contractor shall familiarize themselves with proposed sign locations prior to bidding. No compensation will be given for conditions that could be determined or anticipated by examination of the site.
- Owner to approve all field-staked sign locations, see project area maps for general sign location information
- See specifications for all materials and finishes
- All fasteners to be hot dipped galvanized Grade 5 or better, unless otherwise specified
- All wood and metal structures to be mechanically fastened together, unless otherwise specified
- Contractor responsible for calling for utility locates
- Contractor to restore the site to its original condition or better at project completion at no additional cost to owner
