Addendum 2
Solicitation 21-99456
Middle Booster Station Improvements

This addendum serves to notify all bidders of the following changes to the solicitation documents:

1. As the information in the NOTICES FOR BIDDERS (combined) is already covered elsewhere within the solicitation, and the bid surety information within that document is incorrect, the NOTICES FOR BIDDERS (combined) is removed from the solicitation. For clarification purposes, bid surety is to be submitted as stated in the Advertisement for Bids.

Please acknowledge receipt of this Addendum by checking the acknowledgment box within the www.bidexpress.com solicitation.
