**Addendum #1**  
**Solicitation # 22-99485**  
**Project #2027**  
**E 1st Street Sanitary Sewer Extension**

This addendum serves to notify all bidders of the following changes to the solicitation documents:

**SPECIAL PROVISIONS**

**Remove and replace** with the following:

**SP-19 (2503) PIPE SEWERS – GRAVITY**

The provisions of 2503 are supplemented with the following:

Gravity sewer shall be installed by pipe bursting. Pipe material shall be 8" HDPE DIPS/IPS. SDR of the pipe shall be determined by the pipe bursting designer to meet the minimum strength requirements for the size and length of pull for the new pipe installation. No other material substitutions will be allowed without prior written permission from the project engineer.

**Add** the following:

**SP-21 EXISTING SEWER FLOWS**

Contractor is responsible for coordination and bypassing of any sewer flows in the existing sewer lines during the installation of the new sanitary pipe or structures. There is one known lateral connection upstream from the location of the proposed manhole structure in Superior Street (2 North Hawthorne Rd).

Please acknowledge receipt of this Addendum by checking the acknowledgment box within the [www.bidexpress.com](http://www.bidexpress.com) solicitation.
