**Addendum 1**  
**Solicitation # 22-4408**  
**DAA Parking Technology System Upgrade**

This addendum serves to notify all bidders of the following changes to the solicitation documents:

Questions asked by June 30, 2022 deadline are answered below in *italics*.

1. Are drawings available?
  - a. *Drawings are not available, assume each entrance/exit has power connection.*
2. Will drawings show network?
  - a. *Fiber network exists on airport ground, as well as main exit. Proposals should not include fiber install cost, airport will figure that out with winning bidder.*
3. Do you want the same configuration of gate arms that you have now?
  - a. *Yes*
4. Will REEF parking be a part of the transition?
  - a. *REEF Parking's contract ends 1/31/2023, therefore they will be involved in the transition at some capacity.*
5. How are calls handled right now?
  - a. *Currently REEF handles all customer service calls.*
6. Is the commercial lane incorporated into the RFP?
  - a. *No.*
7. Do you want to close the 2<sup>nd</sup> entrance on the south side of parking lot?
  - a. *We would like to maintain all existing entrances and exits at this point.*

Please acknowledge receipt of this Addendum by including a copy of it with your proposal. The pages included will not count toward any page limitation, if any, identified in the RFP.
