Addendum 1
Solicitation 22-99763
Ash Tree Removal from Boulevards (West of Mesaba)

This addendum serves to notify all bidders of the following changes to the solicitation documents:

1. The City intends to award bids by area. Bidders may be awarded more than one area. Individual pricing will be used to verify bids or to make any changes that may be required once the contract is executed (i.e., if a tree falls or is removed during an emergency).
2. A protected Excel file has been made available for your use on the City Purchasing website in the same location as this solicitation. Only the yellow highlighted cells allow for information to be added. Bidders may enter their individual tree amounts and the total will be automatically calculated. This form may be printed and sent in with your bid. If submitted, the awarded bidder may be asked to email the Excel file AFTER the bids have been opened.

Please acknowledge receipt of this Addendum by initialing and dating Addendum #1 below the bid form on the invitation for bids.
