Mission Statement

To promote the health and well-being of our community, environment and economy by facilitating recreational opportunities and coordinating the enhancement of our parks, facilities and natural resources now and into the future.

Vision Statement

To be the central driving force in strengthening the heritage of a healthy, active community for future generations by continuing on the path of improving and enhancing our parks and facilities, protecting our natural resources, and developing partnerships to deliver recreation programs and services.

Financial Assistance Policy

The goal of the fee assistance policy is to lower financial barriers to participation in park programs for Duluth residents in financial need. Eligibility for the program is determined by completing an application and verifying City of Duluth residency. Qualified household members will be eligible to receive a discounted price on Parks and Recreation program fees. The discount is valid for the calendar year in which citizens applied and applicants must reapply for fee assistance each year. To qualify for assistance, applicants must affirm, one, that they are Duluth residents, and, two, that they are receiving, or are eligible for, one of the following benefits:

- School Free and reduced lunch program
- Housing Authority (HUD) Section 8 Rent Subsidy
- Medicare or Medicaid
- County financial assistance (SNAP, Emergency or Medical Assistance, Unemployment)
- Social Security Disability

Fee assistance provides a financial benefit for families by reducing recreation program fees on qualifying programs. Please visit our website for details.

GENERAL PROGRAMS

ESPORTS - RECREATIONAL VIDEO GAMING!

WINTER LEAGUE

Registration open Oct. 24-Jan. 9 | Games take place Jan. 23-March 17. | \$40 | COURSE #2731

Ages: 7+

We continue to partner with GGLeagues, a recreational Esports platform, to offer a variety of gaming leagues for a variety of ages! Featuring games such as Super Smash Brothers Ultimate, Rocket League, Madden, Mario Kart 8 Deluxe, and more! GGLeague provides great resources for parents/guardians, schedules matches, and provides a moderator for every match to supervise sportsmanship between players.

This registration gives you a code that you can redeem for a Duluth Parks & Recreation Esports Pass on GGLeagues.com (one pass gives access to any and all leagues for that season!) On the GGLeagues website, find our 'Club' – Duluth Parks & Recreation – to redeem your code.

Solo players can play a variety of solo leagues; in order to play a team-based game, you must register with enough team members and each player needs to purchase a Season Pass (GGLeagues is working on a 'free agent' system for single players to get placed on an existing team, but it is not ready yet).

Participants must own the correct console and the specific game to participate. Some games are limited by console and some can be cross-played between different consoles.

For more information on GGLeagues, visit [GGLeagues.com](https://ggleagues.com)

Age Divisions Offered: 8-12, 13-18, and 18+

- Looking for ways to stay socially engaged?
- Just searching for something new to try?

Duluth Aging Support can point you in the right direction! Their mission is to connect residents to resources throughout the community. We welcome your questions about anything from caregiving to volunteer opportunities at our monthly drop-in sessions. A representative with Duluth Aging Support will have a table set up in Evergreen available to chat. For sensitive topics, there is a private room available for discussion.

PARK PLANNING

Parks Planning

Parks & Recreation planning, design, construction, and public engagement efforts related to parks, park facilities, trails, and natural resources is led by our Stewardship team. Stewardship projects aim to improve park access and recreational experiences for our citizens, reduce conflicts, enhance resiliency, and protect our natural resources. To learn more about active parks planning, design, and construction projects, please visit our Progress in the Parks page at <https://duluthmn.gov/parks/parks-planning/progress-in-the-park/>

Project Highlight – Lincoln Park Improvements

Construction for the Lincoln Park improvements are expected to be completed by the end of 2023. The project will include improved accessibility, restoration of the stone pavilion to include new ADA-compliant restroom facilities, new parking lots, a nature playscape, new and refurbished picnic pavilions, and a new multi-use sport court. The playground will be replaced and relocated across the creek from its previous location. The photo included here depicts the playground that will be installed in 2023. This project is made possible by grant funding from the National Park Service Outdoor Recreation Legacy Partnership Program, the Clean Water Fund Competitive Grants Program, US Bank Foundation, City of Duluth Community Development Block Grant Program and half-and-half tourism tax proceeds, Super Bowl Legacy program, and donations from Essentia Health, Maurices, St. Luke's, and Minnesota Power.

Guiding Documents

Parks & Recreation decisions and services are guided and informed by a series of reference documents, such as mini-master plans, natural area management plans, and ordinances as approved by the Parks and Recreation Commission and/or City Council. In October 2022, Duluth City Council approved a new comprehensive plan to guide the division for the next 10 to 15 years. To learn more about the background, public engagement processes, design approach, and recommendations related to specific parks and natural areas, please visit our Parks Planning Library and Duluth Natural Areas Programs pages at:
