Addendum 2
Solicitation 23-99336
1st Ave East Reconstruction Project #2100

This addendum serves to notify all bidders of the following changes to the solicitation documents:

NOTICE

This Addendum is issued to modify, explain or correct the original drawings, specifications and/or previous addenda and is hereby made a part of the Contract Documents. Please attach this Addendum to the specification and note receipt of this Addendum on the Request for Bid.

GENERAL

1. The Project Bid Form is revised.
2. Descriptions of changes to drawings are for reference only and provide only a general overview of changes made. It is the Contractor's responsibility to fully assess and provide the specific requirements of the Work on all Plan sheets regardless of the description of sheet change(s) provided herein.

DRAWINGS

1. Drawing changes to the STATEMENT OF ESTIMATED QUANTITIES are as follows:
 - a. Sheet 7; Modify Sheet 7 to remove both lines for item no. 2509.615.

SPECIFICATIONS

1. No changes are made to the SPECIFICATIONS with this addendum

RESPONSES TO BIDDER QUESTIONS

1. According to the chart on ST1, it says to remove and replace steam vault lid on Steam Manhole #1, but there's also a separate bid item for Steam Manhole #1. According to the spec, Steam Manhole #1 is for full removal and replacement of that manhole. It appears both bid items are referring to the same structure instructing us to do two different things.

Similar confusion on Steam Manhole #2 and the Furnish and Install Steam Manhole on ST1.

- a. Steam Manhole #1 and Steam Manhole #2 (both items 2509.615) are not supposed to be on the bid form and have been removed with this addendum. Bid item 2509.601 "Remove and Replace Existing Steam Vault Lid" will be used to reconstruct the top of Steam Manhole #1 and bid item 2509.602 "Furnish and Install Steam Manhole" will be used for the new steam manhole constructed during the project.

BID OPENING

The deadline for this bid opening has been extended to Thursday, April 27, 2023 at 2:00 pm.
