**Addendum 1**  
**Solicitation 23-99547**  
**Additional Pump for Spirit Mountain Pump House**

This addendum serves to notify all bidders of the following changes to the solicitation documents:

The following questions have been received and answered in *italics* following the question:

**Question 1:** Ref Page 5, PART IV – PROJECT DETAIL:

Are there specific specifications or manufactures required for the motor, motor soft-starter, pressure gauges, valves, cabling, and piping? Can these items be as recommended by Bidder?

*Spirit Mountain will require the same manufacture and specs that are currently in the pumphouse. We need all components to be interchangeable.*

**Question 2:** Ref Page 5, PART IV – PROJECT DETAIL:

Typically, the electrical cabling and conduit is provided by the installer. Please confirm that cabling and conduit material should be provided as part of this proposal but installed by others.

*The cable and conduit and all associated parts needed to wire and terminate the pump and drive will be provided by Spirit*

Please acknowledge receipt of this Addendum by including a copy of it with your proposal. The pages included will not count toward any page limitation, if any, identified in the RFP.
