**Addendum # 2**  
**File # 15-0367**  
**CITY CENTER WEST RESTROOM RENOVATION**

This addendum serves to notify all bidders of the following changes to the solicitation documents:

1) Responses to questions submitted are below:

- a) What material are the mock ups to be made of, particularly the solid surface bathroom countertops and integral sinks? – *We don't need to see any mockups. If a color needs to be selected, then the City Architect would like to see samples of the options.*
- b) There is no urinal screen on the drawings, but one is called out in the spec 10 21 16-4 section 3.2 item E. Is one getting installed? – *Yes, there should be a urinal screen between the urinal and the sink. It's shown in plan, not called out. Not shown in elevation. Please include this in the project.*
