

CITY OF DULUTH INVITATION TO BID

PROJECT NAME/DESCRIPTION: GAS METER RELOCATES PROJECT CITY WIDE

BID NUMBER: 16-0416

BID OPENING: June 29, 2016 AT 2:00 PM

PROJECT DESCRIPTION: Furnish materials, labor, and equipment necessary to replace and relocate residential and commercial, risers and ½" and 1" PE service lines at various locations within the City. Additionally any restoration work of landscape, exterior structures and/or pavement caused by replacements and relocates.

Approximately 100 services will be modified as part of this project. Amended lists of gas services where risers shall be replaced may be issued by the City at any time during the contract. A list of service risers to be replaced where the customer owned fuel lines will need modifications or extensions by the Contractor will be issued by the Engineering Department throughout the project. Revised detail drawings describing the applicable gas service modifications will be issued by the Engineering Department throughout the project. Quantities shown in the proposal are estimates and actual quantities of listed bid items may exceed or may not approach the amount estimated.

PRE-BID/WALK-THROUGH: A pre-bid walk-through will be conducted on Wednesday, June 22, 2016 at 10AM in room 106A of city hall. All interested bidders are encouraged to attend.

QUESTIONS: Please submit any questions regarding this project via e-mail to Tim Sanders, PE, Project Engineer, tsanders@duluthmn.gov, 218-730-5066. Responses will be provided to all interested bidders as an addendum to this solicitation.

Each bidder must review the 2016 Edition of the City of Duluth Public Works & Utilities Department/Engineering Division "Construction Standards" available on the city website (www.duluthmn.gov) as these Specifications are incorporated by reference and are deemed to be a part hereof this project as if fully incorporated and set forth herein.

The selected contractor will be issued a construction contract (draft attached). Notice to Proceed will be issued once the agreement is fully executed.
