Addendum 1  
File # 17-0594  
Project: Structural Steel and Steel Sheet Piling for DECC Seawall Project  

This addendum serves to notify all bidders of changes to the solicitation documents.  

The following question was asked and answered:  

Q. What are the City’s payment terms?  
A. Per Minnesota Statute 471.425 Subd 2(a), the standard payment period is defined as within 35 days of the date of receipt. Date of receipt is defined as the completed delivery of the goods or services or the satisfactory installation, assembly or specified portion thereof, or the receipt of the invoice for the delivery of the goods or services, whichever is later.  

Additionally, the attached addendum outlines changes to the specifications and provides a revised bid form for those issuing a paper bid.  

Please acknowledge receipt of this Addendum by initialing and dating Addendum 1 below the bid form on the invitation for bids if submitting a paper bid or by checking the acknowledgement box if submitting a bid electronically through Bid Express

Re: DECC Seawall Project – Addendum No. 1
AMI Project # 161080

The following amendments apply to the DECC Seawall Project:

1. 45-foot length Steel Sheet Pile quantity has been adjusted to 1,227 LF.

2. HP10 x 42 x 30-foot length steel beam quantity has been adjusted to 4,140 LF.

3. 3/8-inch x 20-foot to 40-foot Bent Steel Plate Cap quantity has been adjusted to 1,400 LF.

4. Specific quantities of each length will be provided by Owner at time of order for the following materials:
   a. 3/8-inch x 20-foot to 40-foot Bent Steel Plate Cap.
   b. W14 x 120 x 40-foot to 60-foot length Steel Beams.

If you have any questions or comments please contact AMI at (715) 718-2193.

Respectfully Submitted,

Zac Morris, EIT
