Addendum 2
File # 17-11AA
Furnish and Install High-Performance Coating on Individual Steel Sheet Piles –
DECC Seawall Project

This addendum serves to notify all bidders of the following changes to the solicitation documents:

1. Job creation and retention information must be reported for this project. A sample Jobs Reporting Form and Instructions have been included in the list of Attachments in the Bid Express solicitation.
2. In accordance with MN Statute 16C.075, Contractor and all its subcontractors will have implemented or be in the process of implementing the federal E-Verify program for all newly hired employees in the U.S. who will perform work on behalf of the State. Contractor is responsible for collecting all subcontractor certifications and may do so utilizing the E-Verify Subcontractor Certification Form available at <http://www.mmd.admin.state.mn.us/doc/EverifySubCertForm.doc>. All subcontractor certifications must be kept on file with Contractor and made available to the State upon request. A copy of the form has been included in the list of Attachments in the Bid Express solicitation.
3. Part 3, paragraph 3.1. of Section 099600 High Performance Coatings has been changed as identified below and Specification – High Performance Coatings has been updated in the Bid Express Solicitation.
 - a. Paragraph A has been removed.
 - b. Paragraph D has been updated to match the revised delivery schedule. The new language reads as follows: \$1,000 liquidated damages per calendar day will be assessed beginning on calendar day 46 if less than half the coated sheet pile is delivered and continuing until such delivery requirement is met; and beginning on day 60 if any coated sheet pile remains undelivered, continuing until all remaining coated sheet pile is delivered.

Please acknowledge receipt of this Addendum by checking the box in the Bid Express solicitation.
