Addendum 2
File 18-0084
Project: Grand Ave Nordic Ski Trail Construction

This addendum serves to notify all bidders of the following changes to the solicitation documents:

1. The pre-bid meeting sign-in sheet is now available on the City website and in the BidExpress solicitation.
2. The tree count survey is now available under proposal package and plans in the BidExpress solicitation.
3. The item list for Add Alt 2 has been replaced with the correct item list.
4. The planset has been updated to reflect removal of 6" (DBH) trees as a clearing item instead of 4" (DBH).
5. The final trail surface shall be stabilized and seeded. The trail shall be free of ruts (>2"), exposed roots and debris.
6. Trail construction across wetlands shall include removal of unsuitable soils incapable of supporting equipment and re-graded using suitable fill.
7. All disturbed areas, including borrow pits and spoils sites shall be seeded and stabilized per the SWPPP. Payment for seeding of borrow and spoil sites shall be considered as incidental to common excavation pay item.
8. Potential staging areas include the Skyline Parkway trailhead, Bardon Peak Blvd gravel pit and Gogebic Street trailhead.
9. Spirit Mountain bike trails shall remain open to Gravity trail users.
10. Stumps may be buried onsite. Stumps and slash material may be burned in site at designated locations. Contractor to obtain burn permits as necessary.
11. Work may begin upon issuance of a notice to proceed from the City of Duluth. No ground disturbing activities are allowed within wetlands until wetland permits and mitigation arrangements have been finalized.
12. Trail around staging area shall not exceed 10% running grade to provide a handicap accessible loop.

Please acknowledge receipt of this Addendum by checking the appropriate box in your Bid Express bid or by initialing and dating Addendum #2 on bid form.
