

They May Not Stop - For Drivers and Walkers

Drivers

- Stop at marked crosswalks for crossing pedestrians.
- Stop at all intersections without crosswalks, traffic signs or stop lights for crossing pedestrians.
- Vehicles stopped for pedestrians can proceed once the pedestrian has completely crossed the lane in front of the stopped vehicle.
- When a vehicle is stopped at an intersection to allow pedestrians to cross the roadway, drivers of other vehicles approaching from the rear must not pass the stopped vehicle.

Pedestrians

- If the street has a crosswalk, you must use the crosswalk to cross.
- Must obey traffic signs and signals at all intersections that have them.
- Pedestrians **must yield** for the car when there are no crosswalks, stoplights or traffic signs.
- Pedestrians can't dart out into path of an approaching vehicle which makes it impossible for the driver to yield.

Failure to obey the law is a misdemeanor. A second violation within one year is a gross misdemeanor.
