Addendum #2
File # 19-99343
Soil Removal & Tree Planting - 5th Ave W (Request for Quotes)

This addendum serves to notify all bidders of the following changes/clarifications to the Request for Quotes:

1. **The quote due date has been extended to Friday, April 26, 2019 at 2:00 PM.**
There have been questions submitted regarding the electrical conduit to each of the tree locations that we are still awaiting answers to – we hope to have those answers out no later than end of the day on Tuesday.
2. Trees will be removed by the city and the stumps ground down.
3. Contractors will be responsible for any damage to the existing paver tree rings. Contractors may remove the iron ring and a ring or two of bricks for soil removal as long as they are replaced prior to planting.
4. The Kentucky **Coffeetree** Decaf (*Gymnocladus dioica* 'McKBranded') and the Espresso Kentucky Coffeetree (*Gymnocladus dioica* 'Espresso') are the only approved coffee tree varieties.
5. Bidders are also reminded of the following requirements:
 - a. All bids must include payment of prevailing wages, and any cost for obtaining and providing proof of insurance that meets the city requirements (requirements can be found in section 7 of the sample contract at <http://www.duluthmn.gov/media/548436/construction-contract-with-watermark-32918.pdf>)
 - b. If your bid is over \$25K, you MUST include the cost of performance and payment bonds for the full amount of the contract.
 - c. If your bid is over \$50K, you must provide a signed Responsible Contractor form with your quote. The form can be found on the city website at <http://www.duluthmn.gov/purchasing/forms/>
