**Soil Removal & Tree Planting - 5th Ave W (Request for Quotes)**

This addendum serves to notify all bidders of the following changes/clarifications to the Request for Quotes:

1. There are currently electrical hook-ups at each tree. Contractor will be required to have a city electrician on-site during the work. Contractor will be responsible for performing the Gopher One-Call for the site, and shall avoid severing the existing lines. Power will be turned off during the work. The contractor will not be responsible for securing the outlets/hook-ups.
