Merritt Community Club

Merritt Community Club is a 2 story building- the lower level serves as a warming house with toilet rooms, team rooms and showers (women’s only); the upper level has a full kitchen and a large assembly room with a stage. There is currently an on-grade entry to the lower level. There is not currently an accessible route to the upper level- there are exterior stairs to the main entry, which leads to an intermediate stair landing and there is not an interior accessible route between levels. There are currently no features of accessibility provided within the building at the toilet rooms, showers or kitchen.
