

Hawk Ridge

Activities / Amenities

- Hiking Trail
- Parking

Hawk Ridge is a minimally developed site that provides few amenities for visitors (there are no buildings, picnic tables, etc.). There are hiking trails and scenic overlooks. Naturalist programs and demonstrations take place throughout the park in the fall. It is the understanding of JQP, Inc. that portable toilet facilities are available in the fall during migration.

Hiking Trail

Trail

The Superior Hiking Trail passes through the park (as well as other spur and loop trails). This segment of the trail is not currently accessible.

JQP, Inc. Recommends

Priority 3- At such time the trail is altered or rerouted, provide accessibility to the maximum extent feasible. *Recommended based on Draft Accessibility Guidelines for Outdoor Developed Areas F247.1, 1017*

Signs

There are trail head signs near Skyline Parkway.

JQP, Inc. Recommends

Priority 2- Include information on the trail head signs about features of accessibility on the trail, including: length, surface, width, slope and cross slope. *Recommended based on Draft Accessibility Guidelines for Outdoor Developed Areas 1017.11*

Parking

Parking

Bump-outs are provided along Skyline Parkway to allow for parking. The parking spaces are not marked.

JQP, Inc. Recommends

There are no recommendations at this time. If marked parking spaces are developed in the future, ensure compliant accessible parking spaces are provided.

Portable Toilets

Portable Toilets

It is the understanding of JQP, Inc. that portable toilets are typically provided during the fall migration season.

JQP, Inc. Recommends

Priority 2- Provide a minimum of 1 accessible portable toilet.
