Addendum #2
File # 19-6601
ISD 709 Security Improvements District Wide

This addendum serves to notify all bidders of the following changes to the solicitation documents:

This project is funded through a 2018 COPS Office Stop School Violence: School Violence Prevention Program (SVPP) grant from the US Department of Justice. USDOJ rules regarding procurement under the grant do not allow the city to be reimbursed for contractor markups on materials – materials would only be reimbursed “at cost”. As a result, the city has determined that a firm fixed price contract is going to be better suited to this project than a time and materials not to exceed contract. The Bid Form has revised to reflect this change. Bidders shall be sure to include all their costs in their lump sum bid.

Please acknowledge receipt of this Addendum by initialing and dating Addendum **#2** below the bid form on the invitation for bids.
