Permits/Rentals
 Permits are required for all wedding events, regardless of size, and all special and private events to include 40 or more people. Permits are recommended to ensure availability regardless of event size. Without a permit, pavilions and other favored areas are first-come, first-served. Indoor recreation center buildings are also available by securing a building rental permit. Book online at duluthmn.gov/parks.

Watercraft
 All watercraft longer than 10' must be licensed (unless registered in another state). Stop aquatic hitchhikers and comply with regulations that require boaters to inspect and wash their craft to prevent the spread of invasive species.

Dogs
 All dogs must be on leash (except in designated parks and trails). Clean up after your pet to keep waterways clean. Dogs are not allowed on proposed cross-country ski trails. Official dog parks are located at Observation Park, Keene Creek Park, Gary New Duluth Park and Jean Duluth Park.

Cross-Country Skiing
 All public cross-country ski areas require a Minnesota Ski Pass, except UMD's Bagley Nature Area, Spirit Mountain Nordic Trails and Boulder Lake Management Area. No walking, biking or dogs allowed on proposed cross-country ski trails. Trail conditions can be found at 218-730-4323 or duluthmn.gov.

Duluth-Superior Bikeway Routes
 For a map of existing bikeway routes on the web go to: <http://goo.gl/3x4Eg>

Wild Trails
 Avoid trail use when trails are wet, especially after rainfall events. Trails are closed in early spring and late fall to avoid damage. For current conditions, go to duluthmn.gov/parks.

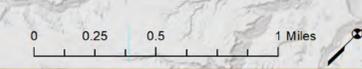

Accessible Trails
 Crushed stone, paved and boardwalk trails are accessible.

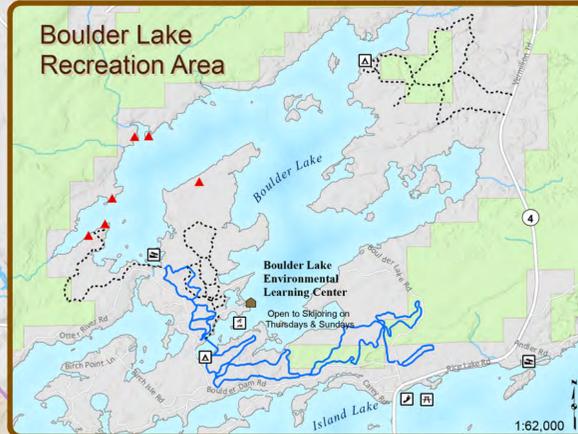

Trail Etiquette
 • Keep right and pass on left.
 • Yield to pedestrians.
 • Always use safe speeds while on trails.

Volunteer
 Help keep our parks and trails clean by volunteering with Duluth Parks. To learn more, call 218-730-4334 or visit duluthmn.gov/parks.

Restrooms
 Restroom and portable facilities are available in many of our parks, but not all. Some restrooms are available only for posted hours or seasonally. If you need information on the availability of facilities at any of our parks, please call 218-730-4300.
