When an Employee is unable to or indisposed to report for duty for any of the reasons specified in Section 29.4 of this article, he or she shall immediately report such fact to his or her immediate Supervisor. To qualify for paid sick leave, the Employee must report off 15 minutes prior to his or her starting time, and must immediately report off when leaving his or her duties.

29.2. When an Employee's use of sick leave reasonably appears to be unjustified, the Employer may request that the Employee provide a physician's explanation to justify subsequent absences. The Employer's request shall be in writing and shall state the reason for the Employer's request. No request shall be based solely on the number of sick days used by the Employee.

The Employer's request shall not be considered disciplinary action.

The failure of the Employee to provide the physician's written explanation shall preclude the Employee from further use of paid sick leave.

The Employer's written request shall cease to be in effect six (6) months from the date it is written.

If disciplinary action results from the use of this article, the discipline shall be taken under the Discipline, Suspensions, Removal article of this agreement.

29.3. A Department Head or Acting Department Head may, for work-related reason stated in writing to the Employee, require an Employee to submit to medical examination, paid for by the Employer, to determine an Employee's medical fitness to do tasks of employment or to attend work.

The Employee may refuse the first Employer-recommended doctor. The doctor will report only the medical information relevant to the fitness for duty information request.

29.4. For purposes of this article, sick leave is defined to mean the absence of an Employee because of illness or injury, exposure to a contagious disease, attendance upon a member of the immediate family, provided no Employee, unless officially assigned to special duty, shall be granted paid sick leave for any injury or illness resulting from any gainful employment on any job which is subject to the provisions of the workers' compensation laws of any state, other than regular city employment.

Immediate Family. For the purposes of this section, immediate family is defined to include only any parent, stepparent, child, stepchild, brother, stepbrother, sister, stepsister, spouse, grandparent, grandchild, son-in-law, daughter-in-law, brother-in-law, sister-in-law, mother-in-law, father-in-law, grandparent-in-law, or ward or legal dependent of the Employee.

(a) Sick Leave Benefits for Care of Relatives. Employees may use paid sick leave to care for members of their immediate family pursuant to Minnesota Statutes Section 181.9413: absences due to an illness of or injury to a member of the Immediate Family for reasonable periods of time as the Employee's attendance may be necessary, on the same terms upon which the Employee is able to use sick leave benefits for the Employee's own illness or injury. Pursuant to the minimum requirements of Minn. Stat. 181.9413, except for absences due to the illness or injury of a child, an Employee's use of sick leave in accordance with this Section 29.4(a) shall not exceed 200 hours for 40 hour-a-week employees, or 187.5 hours for 37.5 hour-a-week employees, in any 12-month period.

(b) Medical Appointments: An Employee must obtain prior approval from the Appointing Authority for the purpose of medical, dental, or optical examination or treatment, when such examination or treatment cannot be scheduled other than during working hours. Such absence on paid sick leave shall be approved only when the Employee has made a diligent effort to have such examination or treatment prior to his or her normal working hours, after work, or on a day off.

(c) Paid Sick Leave on Vacation: Paid sick leave will not be allowed during a previously scheduled vacation unless the Employee is under the care of a physician because of an unexpected injury or illness and the Employee furnishes to the Chief Administrative Officer or his designee a certificate, signed by the physician, indicating the number of days the Employee was actually confined in a hospital. The Employee will then receive paid sick leave for those days spent confined.

Non-birthing parents may use five (5) consecutive work days of paid sick leave beginning the day of birth. Adopting parents may use five (5) consecutive work days of paid sick leave beginning or after the date of adoption. This paid sick leave is offered to Employees in addition to any paid leave mandated by Minnesota or federal law.

29.5. Whenever an Employee is absent on sick leave in excess of three (3) consecutive working days, the Employer may direct such Employee to furnish written explanation by a physician to justify such absence on paid sick leave; failure to furnish such written explanation shall preclude

such Employee from being allowed such absence as paid sick leave. This section shall not apply to funeral leaves.

29.6. Temporary Disability. Any Employee who will be temporarily disabled for a period in excess of ten (10) working days may be offered an Assignment to a Position, which may have tasks or equipment modified to accommodate the Employee's medical restrictions, at such Employee's present rate of pay by the City in his or her present or lower classification, the duties of which the Employee is able to perform. If the City is not able to provide the Employee such Assignment, the Employee may continue to remain on paid sick leave. If such Assignment is refused by the Employee, and justification for the refusal is not provided by the Employee's physician, paid sick leave will be denied. Recognizing the varieties of illnesses and injuries and the Employee's ability to do the assigned work, each case will be evaluated on an individual basis. In case of dispute, the City may use its own physician in making the determination. The City reserves the right to review the Assignment after every twenty (20) working days and to reassign the Employee to his or her regular duties or extend the period of Assignment.

29.7. (a) Permanent Non-Duty Disability: A classified Employee who has a permanent Non-Duty Disability, which prevents him or her from performing the duties of his or her classification, may request an investigation by the Personnel Committee for a determination of what duties he or she may perform and the proper classification these duties fall under. The committee may then recommend to the Employee's Appointing Authority that a recommendation of Demotion to the new class be made to the Civil Service Board.

(b) The Employee may be assigned or transferred temporarily to a lower class as provided in Section 6 above until the Civil Service Board takes final action, provided that such Assignment shall not result in the denial of promotion to, or the lay-off of, a classified Employee.

29.8. Employee Assistance Program: Any absence approved by the Appointing Authority for participation in the Employee Assistance Program shall be allowed as paid sick leave. When the Employee is under the Family Involvement Program, and it requires the spouse and/or the parent of the chemically dependent person to participate in the program, that time spent by the Employee to participate in this program shall be allowed as paid sick leave. As in the case with other paid sick leave, the Employee must report off sick and report the purpose for the use of such paid sick leave, but it will not be necessary for him or her to go into details.

29.9. Any Employee removed from the payroll through the operation of this article, if he or she files with the Chief Administrative Officer or his designee at least once every three (3) months a statement from a physician which indicates that he or she is unable to perform the duties of his or her Position, shall be considered to be on leave not to exceed one (1) year and shall be reinstated in his or her Position upon filing with the Chief Administrative Officer or his designee a statement signed by a physician which indicates that he or she is physically fit to perform the duties of his or her Position, and the physician for such latter statement shall be chosen and compensated by the Chief Administrative Officer or his designee.

31.1. Any Employee who has been Continuously Employed by the City for not less than six (6) months in the classified and/or unclassified service shall be eligible for long-term income protection to age 70 for disability; however, there shall be no such protection for disability caused by any injury or illness for which the Employee received professional medical care or treatment within ninety (90) consecutive days prior to when the Employee otherwise becomes eligible for such protection, unless ninety (90) consecutive days elapse from the time when the Employee otherwise would be eligible for such protection and during such ninety (90) consecutive days the Employee neither receives nor requires professional medical care or treatment for such injury or illness.

31.2. For the purposes of this article, disability means that which is caused by illness or injury which occurs during the Employee's term of employment and which prevents the Employee from performing the major tasks of the Employee's Position.

31.3. Payment of benefits pursuant to this article to a disabled Employee shall commence when the Employee exhausts his or her allowance of 120 days of sick leave with full pay provided by Article 29 of this agreement. The amount of such protection shall be 65% of the Employee's Basic Hourly Rate as of the time that Employee's sick leave is exhausted, or the parties agree to commencement of such payments, but shall not exceed an amount equivalent to a monthly rate of pay of \$5,000 however, for any pay period, the amount of such protection shall be reduced by any amount that the Employee receives for such pay period as a retirement or disability pension from the Public Employees Retirement Association, the Duluth Firemen's Relief Association, the Duluth Police Pension Association, or from the federal government pursuant to the Federal Old-Age, Survivors and Disability Insurance Act, and by any other disability insurance or disability annuity payment, and by any amount that the Employee receives as workers' compensation in lieu of wages or salary. Any cost of living adjustment to any amount received as a retirement or disability pension or as workers' compensation shall not be used to reduce the amount of such protection. The amount of such protection for any pay period shall also be reduced by any amount that the Employee receives as wages or salary during that pay period, but only when the total amount that the Employee has received for wages or salary during the calendar year exceeds \$5,000.

31.4. (a) Payment of benefits due under this article shall be calculated for each regular pay period, and shall be paid for the period at the same time as Employees are then paid pursuant to Article 25 of this Agreement. For any pay period the City may deduct from the payment of benefits any amount which the Employee previously received as payments of benefits but to which the Employee was not entitled because of the provisions of this Article.

(b) As benefits due under this article, the employer may offer to any Employee who is disabled an Assignment, at such Employee's present rate of pay, to any Position, or one with tasks or equipment modified to accommodate Employee's medical restrictions, in his or her present or lower classification, the duties of which the Employee is medically able to perform. Such Assignment shall not result in the denial of promotion to, or the layoff of, a classified Employee.

31.5. Within 24 months from the date of injury or illness causing such disability, if the Employee is still receiving benefits pursuant to this article, the Employee shall:

(a) Return to the Position with the City which the Employee occupied when he or she became disabled; or return to a Position with the City, which may have tasks or equipment modified to accommodate Employee's medical restrictions, for which the Employee is qualified, if such Position is available; but only if the Employee provides written information from a physician, chosen and compensated by the City, which indicates that the Employee is then capable of performing the duties of such Position; or

(b) Request rehabilitation or retraining designed to return the Employee to other work which produces an economic status as close as possible to that enjoyed by the Employee before the illness or injury; the costs of such rehabilitation and/or retraining shall be borne by the City; such rehabilitation or retraining may include, but is not limited to medical evaluation, physical rehabilitation, work evaluation, counseling, job placement, and implementation of on-the-job short-term training; or

31.6. Receipt of long-term income protection benefits shall cease at the expiration of 24 months from the date of injury or illness causing such total disability unless the Employee has complied with Section 31.5 of this Article and has been determined to be returned to work, rehabilitated and/or retrained, or eligible for continuing total disability benefits because he or she is disabled as defined in paragraph 31.5. Such determination shall occur upon the occurrence of paragraph 31.7.

31.7. Medical verification by the Employee's treating physician and a physician appointed by the City that the determination is consistent with the Employee's medical condition. In event of disagreement, a third physician mutually agreed upon by the Employee and the City shall act as arbitrator. The arbitrator's decision as to whether the determination is consistent with the Employee's medical condition shall be binding on both parties, and not subject to the grievance procedure.

31.8. Disagreements under this article, except Section 31.7, shall be subject to the Grievance procedure.
