Addendum #1
Solicitation # 20-99304
Snow Emergency Route Sign Installations

This addendum serves to notify all bidders of the following changes to the solicitation documents:

Bidders must submit their bid through Bid Express. Requests for an exception must be requested in advance and will be handled on a case-by-case basis. Bid bonds may be emailed to purchasing@duluthmn.gov. Purchasing must be able to verify the validity of the bid bond with the surety company.

For clarification purposes, the following information is provided:

Bid item 5, Sign Panel Type C (2564.518): per the 2018 MNDOT Standard Specifications for Construction, "the contract square foot price for Sign Panels Type C includes the cost of providing and installing the tubular or flanged channel sign posts, stringers, brackets, and attachment angles or strap mounting hardware for the sign panel attachment". In other words, this bid item includes all of the labor, equipment, and materials to provide the sign, mount the sign to the post, and install the post in the ground.

Bid item 6, Furnish Sign Panel Type C (2564.518): per the 2018 MNDOT Standard Specifications for Construction, "includes the cost of providing and delivering the signs panels as required by the contract". These signs are extras that will be provided to the City of Duluth, and used by the City in the future where needed.

Please acknowledge receipt of this Addendum by checking the acknowledgment box within the Bid Express solicitation.
