

50-16.7 Form District 6 (F-6) mid-rise neighborhood shopping.

A. Purpose.

This district was created to respond to the commercial nodes present in the Central Hillside neighborhood (14th Street from Mesaba Avenue to Third Avenue East). These nodes are separated by residential developments, which were not included in the study area. Main Street Building II, Corridor Building II, and Cottage Commercial Building I provide flexibility in the style of commercial building, with the Cottage Commercial building type especially applicable when it's located adjacent to residential development. Permitted and special uses are shown in Table 50-19.8;
