Addendum 3
Solicitation 20-99364
DWP-to-Munger Connection Trail

This addendum serves to notify all bidders of the following changes to the solicitation documents:

1. Stone necessary for the retaining walls will have to be imported as there is most likely not enough stone available onsite. Bidders should assume that the Stone Retaining Wall pay item includes importing all materials. This will include shuttling the stone in small quantities over the CN bridge.

Please acknowledge receipt of this Addendum by checking the acknowledgment box within the www.bidexpress.com solicitation.
