Addendum 7
Solicitation 20-99363
Canal Park Lakewalk & Shoreline Restoration

This addendum serves to notify all bidders of the following changes to the solicitation documents:

1. The City Purchasing Division has worked with the Department of Labor (DOL) and Homeland Security and Emergency Management (HSEM) -- who administers disaster repairs on behalf of the Federal Emergency Management Agency (FEMA) -- and has received clarification of the prevailing wage requirements for this project. The Davis Bacon and Related Acts do not apply to this FEMA and state-emergency funded project. **Therefore, both the Federal Heavy wage decision and the recently-added IL18 Federal Dredging wage decisions are not applicable to this project.** Anywhere in the bid documents that reference requirements of the Davis Bacon Act is no longer applicable. **The state prevailing wage decision is still applicable to the project.**
2. As a reminder, even if your bid does not change by this addendum, bidders will still need to go into BidExpress and acknowledge receipt of this addendum.

Please acknowledge receipt of this Addendum by checking the acknowledgment box within the www.bidexpress.com solicitation.
