Superior Street Reconstruction Update: Word on the Street (October 7, 2020)

Wrap-up of Last Week

- Concrete was poured between at 1st Avenue West.
- Electrical crews installed light poles and pulled wiring.
- Pipefitters worked on hot water lines from 2nd to 3rd Avenue West.
- Carpentry crews worked on light bases and planters.
- Storm sewer was completed between 2nd and 3rd Avenue West.
- The last section of watermain was placed at 3rd Avenue West.

What to Expect October 7 – October 14

- Access to businesses and residences will remain open.
- Structural work on signal bases and planters will continue.
- The last of sanitary and water connections for the project will be made.
- Hot water installation will continue at 3rd Avenue West.
- Concrete will be poured throughout the project zone.
- Beginning this Thursday and running for the next 3 weeks, the southern corners at 3rd Avenue West will be closed to pedestrian traffic to accommodate the hot water services being run into buildings and the lowering of the vault work. Signs will be placed on Michigan Street directing people to use the skywalk or 2nd or 4th Avenues to access Superior Street from the south side.
