**Superior Street Reconstruction Update: Word on the Street (February 18, 2021)**

The Superior Street Reconstruction project will be completed in two phases in the summer of 2021.

- Phase A - Superior St west of 1st Avenue West through 3rd Avenue West.
  - o April 12 – June 11
- Phase B - Superior St east of 3rd Avenue East through 4th Avenue East.
  - o June 21 – August 31

The project work scope includes the completion of vault work and installation of concrete roadway, sidewalks, and amenities.

**Pedestrian Access During Construction**

- Pedestrian traffic maintained during regular business hours, except for short, coordinated periods.
- Building deliveries will need to be facilitated by building owners.
- Avenue access may be limited at any given time.

**Vehicles and Parking**

- On-street parking will not be available in this portion of Superior Street.
- Many ramps are offering free parking if you enter and leave within an hour. For those accessing businesses in the construction zone, the following ramps are participating:
  - o Civic Center Ramp—410 West First Street
  - o Tech Village Ramp—10 East First Street
  - o Duluth Transportation Center—228 West Michigan Street
  - o 4th Avenue Auto Park—402 West Michigan Street
  - o Hart District Ramp—125 East Superior Street
  - o Medical District Ramp—302 East First Street
