Public Meeting on Upper Central and East Hillside Land Use Study Rescheduled

[Duluth, MN] Due to poor weather conditions, the planned public meeting on the Upper Central and East Hillside Land Use Study has been **rescheduled**.

Initially scheduled for Wednesday, February 20th, 2019, the rescheduled date for this public meeting is Monday, March 4th, 2019 from 5:30pm to 6:30pm at the Grant Rec Center located at 901 East 11th Street.

At this meeting, the City's Community Planning Division will discuss the planning process and seek input from residents on the potential for expanded commercial, business, or residential development in the upper hillside area. The goal of the Land Use Study process is to analyze the area in greater detail to determine whether any recommendations to change the Comprehensive Plan future land use are warranted for this area.

A report will be presented to the Planning Commission once the planning process concludes.

Questions can be directed to John Kelley in the City's Community Planning Division at (218) 730-5326.
