**Utility work on portion of Grand Avenue to cause
temporary on-ramp and lane closure beginning
Wednesday, September 6**

[DULUTH, MN] The City of Duluth utility operations crews will perform in-ground utility repair on a water main under a section of Grand Avenue beginning Wednesday morning, September 6. The repair will cause a temporary closure of the I-35 Northbound on-ramp, as well as a closure of a section of one eastbound lane of Grand Avenue. The repair work and closure are anticipated to last approximately one week, depending on weather.

A map of the affected area is included below. The City of Duluth thanks residents for their patience while the work is conducted.
