Addendum 2
Solicitation 25-99849
2026 Best Management Practice Inspection and Modernization

This addendum serves to notify all bidders of the following changes to the solicitation documents:

QUESTIONS: The following questions have been asked and are answered in *italics* below.

- 1) What is required for Section II-2(5)?
a) Provide a list of hours per task in the body of the proposal without cost
- 2) How does the City want the collection of the sediment samples performed?
a) The Consultant could contact the firm performing the laboratory work for collection method and procedures. Alternatively, the Consultant can have a material test sub-consultant perform the work.
- 3) What certification is required for BMP Inspection Taks 3?
a) The person performing the inspection of BMP shall be certified by the class "Inspection and Maintenance of permanent Stormwater Treatment Practices" from the University of Minnesota Extension or equivalent class. Link to Class: [MS4701 Inspection and Maintenance of Permanent Stormwater Treatment Practices Online | Erosion and Stormwater Management Certification Program](#)

Please acknowledge receipt of this Addendum by including a copy of it with your proposal. The pages included will not count toward any page limitation, if any, identified in the RFP.
