WEDDING EVENT PERMIT GUIDELINES

A “Wedding Event” is one that is a:

- 1) Wedding ceremony
- 2) Elopement
- 3) Vow renewal
- 4) Wedding reception

A Wedding Event Permit is required for all Duluth Parks. All wedding events, regardless of size, require a permit to reserve the space.

1. PERMITTEE

The individual who has been issued a Wedding Event Permit is pursuant to the regulations and is authorized to conduct permitted activities. The permittee is responsible for the safe conduct of all participants attending the Wedding Event.

2. PARTICIPANT

Any individual who is identified by the Permittee, including but not limited to, wedding guests, vendors, photographers, wedding coordinator, and others present at the event.

3. TIME SLOT

Wedding Event Permits are permitted in timeslots at all parks except the Rose Garden and Lakewalk Plaza. Timeslots are:

- 10am – 3pm
- 4pm – 9pm
- 10am – 9pm (will be charged for two slots)

Rose Garden Gazebo and Lakewalk Plaza are only reserved in 2-hour time slots for wedding ceremonies and/or photos. Rose Garden/Lakewalk Plaza timeslots are:

- 10am – 12pm
- 12pm – 2pm
- 2 – 4pm
- 4 – 6pm
- 6 – 8pm

The Wedding Event set-up cannot start before the time indicated on the permit or go past the end time indicated on the permit. There may be permits scheduled before and/or after your event. Plan accordingly. If you suspect time may be tight, you are encouraged to reserve additional time.

Notify any vendors of the time in which they must be vacated from the park. Set up and tear down times should be carefully considered when deciding to rent one or two timeslots. The park may be reserved before or after your event.

4. VENUE

Review of your application will take into consideration the capacity of the venue; this is done to preserve the resources, ensure you have a space adequate for the wedding event and still allow for other park visitors.

All venues and their amenities have maximum capacities based on fire/safety regulations, seating capacities, parking provisions and intended use. City of Duluth reserves the right to deny any application if the expected attendance will exceed the safe capacity of venue.

5. MAXIMUM CAPACITY

The maximum capacity indicated for each park space is the maximum allowable for an event in the park. Any structures in the park (gazebo, pavilion, stage), may not accommodate the maximum capacity. It is the permittees responsibility to inspect the structures and determine how many people can be accommodated.

6. EXCLUSIVE USE

The permit does not give “exclusive use” of the park - only the shelter/pavilion/trail/greenspace/gazebo/stage you have requested. The park is still open to the public. Permittee must have the signed permit in their possession to enforce its privileges. This includes politely asking individuals to move from the designated reserved space, if in use upon arrival. Any questions or concerns about the terms of the permit can be directed to the Wedding Permit Coordinator.

7. DAMAGE FEES

Permittee will be billed for any damages or destruction to park property. In the event damage fees are assessed permittee will be billed directly. If damage fees are not paid the bill will go to collections.

8. EVENT KIOSK AND ON-SITE PERMIT

There is an event kiosk located at Chambers Grove, Enger Park, Gichi-ode’ Akiing, Leif Erikson, Lester Park, Rose Garden, and at both Park Point Pavilions. Kiosks identify the date and time of a permitted event. Permittee can direct other park visitors to the kiosk if there are questions or concerns about the availability of the permitted space. In addition, the permittee is required to have the permit on-site during their event, which can be used to notify park visitors about the exclusive use of specific spaces for a permitted event.

9. BEACH WEDDINGS

Weddings are allowed on the beach when permitting the locations listed below. Permittee does not have exclusive use of any beach space and permittee must allow room for other beach visitors to walk back and forth along the beach. Weddings are only allowed on the beach at these locations because they provide for parking and restrooms. Beach weddings not allowed in other locations.

- Park Point Beach House
 - Max Capacity 200
 - Tables and chairs inside facility not allowed outside. Permittee is responsible for renting tables and chairs for outside use.
- Park Point Pavilions (there are 2 pavilions)
 - Max Capacity 50/pavilion

12. TENTS AND CANOPIES

Gopher State One Call must be called two weeks before your event at 800-252-1166 to be shown onsite where you intend to stake; this is to determine the safest location that will not interfere with underground utility lines. This may be coordinated with your canopy provider. This is a State law.

13. PHOTOS/VIDEOGRAPHY

Photographs and video are occasionally taken of participants while they are in programs, special events, city facilities or enjoying parks/trails. Please be aware that these photos may be published by the City of Duluth.

Garbage needs are determined by number of participants, type of event, if food is being served and what type of container in which food is served. Consult directly with provider of choice.

[WLSSD provides "Waste Free Party Kits"](#) at no charge, inquire at 218-722-3336 to reserve a kit.

Garbage receptacles are stationed in the park. They are not moveable. If you want garbage receptacles closer to your event space, you will need to bring your own.

22. FOOD

Coals, hot water or cooking oil/grease cannot be dumped on lawns, turf, landscaped areas, waterways, catch basins or sewers, and must be disposed of properly.
