# Location Reference

## Downtown Lakewalk

This page shows the proposed locations of the Freestanding Signs and Interpretive Panels to be positioned on the trail in the downtown area. These locations are schematic and will require additional coordination to finally site as part of construction.

# Extended Lakewalk

## Preliminary Locations

This page shows the proposed locations of the Freestanding Signs to be positioned on the trail after leaving the downtown area. These locations are schematic and will require additional coordination to finally site. The interpretive panels for these locations are included in the appendix to this report.
