Interim Use Permit, Including Vacation Dwelling

An interim use permit applies to special uses that will be authorized only for a specified period of time. See UDC Section 50-37.10 for more information. This process is required for vacation dwelling unit applications, but not for an accessory home share or accessory vacation dwelling, limited.

Starting the Application Process

- Call 218-730-5580 or email planning@duluthmn.gov to schedule a pre-application meeting. The pre-application meeting is intended to discuss the application process and general timeline. A comprehensive review of the proposed project is not possible at this meeting; detailed review of the project will occur once a complete application, with sufficient supporting information and exhibits, is submitted.
- Submit your application materials by the Planning Commission application deadline. Applications must be submitted within 60 days after the pre-application meeting. There are numerous in-person and electronic application methods available; visit <https://duluthmn.gov/planning-development/land-use-zoning-and-applications/applications-checklists/> for current information. Your application must include the following:
 - Application Cover Sheet, available at <https://duluthmn.gov/planning-development/land-use-zoning-and-applications/applications-checklists/>, and applicable fee
 - Survey of the property (required for any with spatial impacts; survey requirement can only be waived in writing by the Land Use Supervisor)
 - Site plan with accurate depiction of the lot dimensions, existing structures with distance to property boundaries, any existing off-street parking, and any existing fencing.
 - Landscape or screening plan detailing species type and number of trees and shrubs, if application is proposing additional landscaping to screen property from adjoining neighbors.

2. Public Notice. A mailed notice will be sent by the City to property owners within 350 feet.

- You will receive an email with the Planning Commission agenda and a link to this staff report about 5 days prior to the meeting.

4. Planning Commission Decision. Planning Commission meetings are scheduled at 5:00 pm on the second Tuesday of each month. **We ask that applicants or an agent attend this meeting.**

The Planning Commission will hold a public hearing and make a decision to adopt, adopt with modifications, or deny the application.

5. Development Agreement. Interim Use Permits require a development agreement, to be finalized and signed after City Council approval. Staff will discuss the format and content of the development agreement with you.

Note that other City codes may apply to your project. Please be aware of any applicable Building Code (Construction Services Division), Fire Code (Life Safety Division), and stormwater/engineering (Engineering Division) regulations. The zoning approval may be only the first step in a several step process.
