**Addendum 4**  
**Solicitation 25-99742**  
**2025 CIPP Sanitary Sewer Lining Project**

This addendum serves to notify all bidders of the following changes to the solicitation documents:

**SPECIFICATIONS**

- Hiperline SpectraShield has been **approved** as an approved-equal as a manhole lining product.
- Quadex Structure Guard has been **denied** as an approved-equal as a manhole lining product.

**QUESTION:** The following question was asked and has been answered in *italics* below.

1. The planned quantity in Exhibit A shows 200 LF of manhole lining when the list of manholes is much less. Why the difference?
  - a. *The City received the list of manholes from our Utility Operations Department. The City increased the quantity in Exhibit A in the event that additional manholes were found by our Utility Operations Department that required lining under the CIPP project.*

Please acknowledge receipt of this Addendum by checking the acknowledgement box within the [www.bidexpress.com](http://www.bidexpress.com) solicitation.
