INFORMATION TO BIDDERS

1. The attendance sheet from the Pre-Bid Meeting is attached. Questions from the pre-bid meeting are as follows:
 - a. Is there an estimate to be shared.
The City has prepared a construction estimate for this job but that will not be shared prior to the bid opening.
 - b. Will Minnesota Power assist with holding utility poles during the work? Should contractors plan pricing for that work?
Communication with Minnesota Power (MP) has confirmed that they are willing to provide pole holding for this project. Contractors will not need to provide pricing for this work, though will need to include coordinating that effort with MP during the work as part of their effort.

Please acknowledge receipt of this Addendum by checking the acknowledgement box within the www.bidexpress.com solicitation.
