

## Private BMP Inspection & Maintenance Private Company List

The following list is a list of civil engineering firms, construction companies, and landscape restoration companies that have performed work and/or willing to work within the City of Duluth limits. The list is divided into three sections: companies that perform both inspections and maintenance work, companies that perform inspections, and companies that perform maintenance work. Please note this list is compiled alphabetically, and the City of Duluth cannot provide any recommendations or preferences. This list has been created for your convenience, feel free to research and reach out to any companies that you do not see on this list.

If you are a company that would like to be included on this list, please reach out to StormUtility@duluthmn.gov or 218 730 5084.
