\* The amounts above correspond to the month in which the sales took place, not the month the City collected the taxes.

\*\* The City received a significant one-time remittance related to tax collections inadvertently included on an entity's State of MN sales tax returns. Business sales tax data is not public information and further details on the entity cannot be provided. The figure is noted in the totals, but excluded from the percentage calculations in order that data comparisons are not skewed by this large one-time remittance.
