Action Items			
* General Manager Applicant Selection: The purpose of today's meeting is to select the candidate most			
qualified for the DTA's General Manager position. Absenteeism ballets will not be accepted and no			
recount will be allowed. Board members expressed their appreciation to First Transit for finding 3			
excellent candidates from which to choose from. After much discussion of all 3 candidates, it was			
decided that an anonymous ballot (majority rules) would serve best to reach a final decision. After a			
final decision has been made, First Transit could begin contract negotiations with the candidate who			
		ent agreement cannot be fina	
Transit and the candidate receiving the most votes, First Transit may then offer the position to the			
candidate receiving the second highest number of votes. After the secret ballot process, President Nelson

Darrell Washington, Small Urban Program Coordinator-MN Dept. of Transportation (3 votes); and Phil			
Pumphrey, Asst. General Manager-First Transit/Connecticut Transit (0 votes). Mr. Herr will contact Mr.			
Rick Dunning, First Transit Senior Vice President, and inform him that he may begin contract			
negotiations with Len Simic	h. Even though this is	an open meeting, Board men	mbers believe today's
decision be kept confidential until First Transit and the candidate have come to an agreement.
