

October 18, 2024

Azrin Awal  
Duluth City Councilor  
Parks, Libraries, and Authorities Committee Chair  
411 W 1st Street  
Duluth, MN 55802

Dear Ms. Awal,

The City of Duluth's Natural Resources Commission wishes to forward the resolution below to the Duluth City Council.

RESOLVED, that the Natural Resources Commission urges the City of Duluth and the Minnesota Pollution Control Agency to expedite the release of the final investigative report on the August 1 Tischer Creek fish kill and, in the interim, provide as much preliminary information as possible, as early as possible, on investigative findings, process, and timelines.

They passed this resolution at their October 2, 2024 meeting.

Thank you,

Kate Kubiak

Natural Resources Coordinator
